

Post-CSI/ASLIBS2024 SAAMT2024

Ninth symposium on applications of advanced measurement technologies

Date: December 12-14, 2024

Venue: Fukui, Japan

ABOUT POST-CSI/ASLIBS AND SAAMT2024

Following the success of CSI/ASLIBS2023, the post-CSI/ASLIBS and 9th symposium on applications of advanced measurement technologies - SAAMT2024 will continue to be held in Fukui, Japan, December 12-14, 2024. The objective of this conference is to provide an international forum for exchange of latest analytical and measurement information as well as for dissemination of high-quality research and development methods in industry and academic fields.

TOPICS

- ✓ Analytical and measurement methods
- ✓ Instrumentation
- ✓ Metallurgical and material analysis
- ✓ Microstructure
- ✓ Laser Induced Breakdown Spectroscopy
- ✓ Other related areas

CHAIRS

- ✓ General chairperson : Hironori Oba
- ✓ Post-CSI/ASLIBS chairpersons :
Tetsuo Sakka
Yoshihiro Deguchi
- ✓ SAAMT2124 chairperson :
Kazuyoshi Kurihara

IMPORTANT DATE

- ✓ August 1, 2024: Abstract submission open
- ✓ August 1, 2024: Exhibition submission open
- ✓ November 13, 2024:
Abstract submission close
- ✓ November 13, 2024:
Advance registration close
- ✓ November 13, 2024:
Exhibition submission close
- ✓ December 12-14, 2024: Joint conferences

ORGANIZERS

- ✓ Organized by
Japanese LIBS Community - J-LIBS
- ✓ Supported by
The Iron and Steel Institute of Japan
-Division of Process Evaluation and
Material Characterization-
The Japan Society of Mechanical
Engineers - Chugokushikoku Branch -
Fukui Prefectural Tourism Federation
